I will endeavor to maintain and elevate the standard of nursing, both as a science and an art. I wholeheartedly recognize the importance of high standards of care and personal accountability. I devote myself to the healing, protection, and welfare of those committed to my care. I accept a duty to work for the improvement of health in the communities in which I live and work. I will hold in confidence all the personal matters committed to my keeping and will respect the privacy of medical information. I will act with compassion in ethical matters. I will not knowingly administer or consume any harmful substance. I commit to interdisciplinary collaboration and lifelong learning. ## *Special Thanks*

We would like to offer a special “Thank You” to all the faculty, staff, and clinical associates for all of their time, effort, and determination to help us succeed. Finally, we would also like to express our gratitude towards our friends and family for their much-needed support throughout our journey.

"I know the plans I have in mind for you, declares the Lord; they are plans for peace, not disaster, to give you a future filled with hope. When you call me and come and pray to me, I will listen to you. When you search for me, yes, search for me with all your heart, you will find me."
