## *Nightingale Pledge*

I pledge myself here, before my God and in the presence of this assembly, to practice my profession with integrity. I will endeavor to maintain and elevate the standard of nursing, both as a science and an art. I wholeheartedly recognize the importance of high standards of care and personal accountability. I devote myself to the healing, protection, and welfare of those committed to my care. I accept a duty to work for the improvement of health in the communities in which I live and work. I will hold in confidence all the personal matters committed to my keeping and will respect the privacy of medical information. I will act with compassion in ethical matters. I will not knowingly administer or consume any harmful substance. I commit to interdisciplinary collaboration and lifelong learning. I fully acknowledge the seriousness of the responsibility that I accept in my calling, and the significance of this pledge that I take today.

## *Special Thanks*

We would like to offer a special “Thank You” to all the faculty, staff, and clinical associates for all of their time, effort, and determination to help us succeed. Finally, we would also like to express our gratitude towards our friends and family for their much-needed support throughout our journey.

"Your word is a lamp for my feet, a light on my path."
